

Musica Viva “Teranga” Incursion

18 May 2017

Dear Parents/Carers,

Musica Viva has been inspiring students throughout Australia for over 30 years. More than twenty groups from all genres of music tour to over 1000 schools each year. This year there will be a performance at Ngunnawal Primary by ‘Teranga’.

In Term 2 and 3 during music classes students will learn about music from other cultures. For classes who receive music lessons in term 2 this event will be a culminating performance. For classes who receive music next term this performance will initiate their learning. As part of the Musica Viva program students will learn the music, dances and songs of West African group Teranga during weekly music classes.

“Led by charismatic Senegalese musician Pape M'Baye (who has shared the stage with music legends BB King, Miles Davis and Ringo Starr), Teranga's percussion-based music transports audiences to a world of poetic, rhythmic storytelling, where tales of small village life become metaphors for how we live today. Anyone who has seen Teranga knows active participation from students is a vital ingredient in the on-stage alchemy.”
