

Seesaw- Digital Learning Portfolio

Seesaw is the best platform for empowering students to demonstrate and share their learning. Students use powerful tools in the Seesaw app to create, reflect and demonstrate learning. When students share their learning in their Seesaw portfolio, teachers and families gain valuable insights into what their students know and can better support their development throughout the school year.

What can you expect to see on Seesaw?

Seesaw Posts	Frequency
Upcoming Learning Goal: Sharing intended learning with families	A paragraph describing the learning ahead. May include links to helpful information/tools for parents to support their child.
Fortnight Ahead K-6, Fortnight That Was Preschool	
Sharing Student Progress Goal: Regular communication of learning growth	One post per fortnight reflecting each child's learning journey.
Notices and Events Goal: Communicating community events and notices.	As required

How can families respond to posts?

Celebrate your child's successes and encourage the skills that we are building at school together at home. You can like a post or comment. Comments are welcome and will be approved by the teacher.

Getting Set Up
